

ATHLETE OF THE WEEK

This week's Athlete of the Week is Hunter "Beast" Honeycutt, a cross country runner at Tift County High School.

Hunter is the son of Lee and Marci Honeycutt and the brother of Madison Honeycutt.

Hunter placed 20th at the GHSA State Cross Country Championship recently in Carrollton. He was the top sophomore in the field and finished a full minute ahead of his closest region competitor. Hunter trains year-round and competes in triathlons, cross country, track and field and swimming. He gives all he has in every single workout and every single competitive event. In so doing, he inspires those around him to better performances as well.

His best athletic accomplishment is winning a bronze medal at the USA Triathlon Junior Olympics.

Hunter's birthday is July 1. On his iPod are Red Jumpsuit Apparatus, 12 Stones and Amberlin. His favorite flicks are "Hot Rod" and "Without Limits," and his Internet bookmarks are GATFXC, usa-triathlon and Facebook.

Hunter favorite superstition: He cannot start a race without sweating.

The person he would most like to trade places with for a day is U.S. distance runner Ryan Hall, and the talent he would almost like to have is singing.

The team he loves to hate is the Florida Gators, and his hero is his dad.

The three things Hunter would most like to do before he dies are go to the Olympics, ride the Tour de France bike course and skydive.

His favorite meal is Chicken Parmesan, and his favorite place he's been is Colorado.
