

ATHLETE OF THE WEEK

Brooke Keen of Ashburn is this week's Athlete of the Week. Brooke is in the ninth grade at Tiftarea Academy. She is the 15-year-old daughter of Stacy and Vicky Keen.

Brooke (#8) is a pitcher for the Tiftarea Lady Panthers softball team. Her biggest athletic accomplishment thus far was leading the Lady Panthers to region playoffs her eighth grade year. She is well on her way to repeating that this year. The Lady Panthers have been a dominating force on

the softball field this year.

In addition to softball, Brooke plays basketball for the Lady Panthers. She is hoping to have a very successful year on the court this year. She would love to add State Championship to her list of accomplishments.

Brooke excels in the classroom as well as on the mound. Her grades are very important to her. She works very hard to be successful in her studies as well as in sports.

Her strong faith also helps keep her focused. Brooke's heroes are her parents and Jesus. The Top 3 songs on her iPod right now are "Smile," "Lead Me to the Cross," and "Headstrong."

Brooke's favorite food is chicken. Her favorite show is NCIS. She would love to trade places with Cat Osterman. After graduating from Tiftarea Academy, Brooke plans to attend college but has not yet decided where.
